II.. *Regulations for the Veterinary Department.*

1. The standard of Horse Medicines for the Army in the field, and in hospitals, is the supply table.

This table will not be deviated from except in extreme emergencies, and then only for Hospital use, when the reasons must be clearly and satisfactorily stated.

2. Requisitions will be made quarterly, and in duplicate, conforming strictly to the standard supply table.

3. Quartermasters will hold Veterinary Surgeons strictly responsible for the instruments issued to them, and, in case of loss through carelessness, or damage from neglect, the cost price of the instruments so lost or damaged will be charged to them.

4. Quartermasters responsible for Medicines and Dressings will take care that these articles are used for their legitimate purpose, and will hold the Veterinary Surgeons strictly accountable for their loss or damage through neglect, &c.

BY ORDER OF THE SECRETARY OF WAR :

E. D. TOWNSEND,
Assistant Adjutant General.
